Gateway Village Promenade

2006 was a splendid year for the Promenade. Many of our Associates used this area as an outdoor office or meeting place – with free Internet available. The Promenade was the site of numerous fundraising events that ranged from four-legged friends to raising funds for many worthy causes! At times the Promenade offered such great tenant amenities as the **YMCA Health Fair**, **Belk store**, **Holiday Market** and **Special Shopping Days**. Several of you won fabulous gifts at our tenant event drawings and enjoyed **Valentine's Day** chocolates and **Ice Cream Socials**.

This year the **Farmers Market** jumped to a new day, Thursday with later hours. Watch for this great amenity to return this Spring so that you can pick up fresh vegetables, flowers and hand-crafted items on your way home once again.

Charlotte Shout, the month-long celebration of art, music, dance, theater, and heritage, hosts this culinary arts venue at Gateway Village. The focus on talented local artists, from the smallest to the largest brings out the City for an event that all of Charlotte talks about. It's a great chance to meet and experience many great chefs. Check out this year's events at www.Charlotteshout.com.

The **Holiday Tenant** event provided many sweet treats and our annual Gateway Village Holiday Ornament gifts. The **Annual Tree Lighting** brought many of your families: what fun to see your children help **Vinny Claus** light the Holiday tree with the magic wands!

For information about any of these events, contact the Concierge Service.

Johnson & Wales University

Johnson & Wales University Holds a Cultural Community Introduction

From the very beginning, JWU has appreciated the hospitality shown to them by the Charlotte community. So it is no surprise that in the fall of 2006, JWU hosted an event, which provided exposure to local organizations for over 2,600 students and faculty. At the same

time, the following guest organizations of the JWU Library and the Arts & Science Council were treated to lunch and a hint of what is to come from Johnson & Wales University:

Carolina Raptor Center

Levine Museum of the New South

Wing Haven

~ Charlotte Museum of History ~ Charlotte Symphony ~ PLCMC ~

Su doku

To Play

Put a number from 1 to 9 in each square so that:

- Every horizontal row and vertical column contains all nine numerals (1-9) without repeating any of them
- Each of the 3-by-3 boxes has all nine numerals with none repeated

The rules of Su-doku – are simple!

Enter digits from 1 to 9 into the blank spaces. Use a pencil!

The Truth

- 15 minutes, you're a true expert
- 30 minutes, you're no slouch either
- 60 minutes or more, maybe numbers aren't your thing

GOOD LUCK!
